Supporting our troops. Remembrance Day 11th November

Today's match is to celebrate the life of Tom Lake, an Oxhey Jet and a Private in the 1st Battalion, Princess of Wales's Royal Regiment.

Pte. Tom Lake was killed in action in Afghanistan on 20th November 2011. His regiment, known as the Tigers, and the Jets remember him with affection, and we both want to do our part in preserving his memory.

A Tiger and a Jet. What a combination!

We owe a big thank you to Capt. Lee Gidalla whose efforts have made today possible. We would like to welcome him and all the members of the 1st Battalion attending today. We are delighted to have you here.

We are also pleased that our guest of honour today is Tom's Mum, Carol Lake.

Thank you to everyone attending and to all the staff, volunteers and sponsors that have helped make this happen. Big thanks to Aston Roofing for sponsoring the game.

We hope you enjoy the day. Remember that all proceeds go to the poppy tin! Please give a big cheer too to our young Jets mascots who will come out with the teams and lay their wreath.

TIGERS

PRINCESS OF WALES'S ROYAL REGIMENT

The Tigers are a fighting Regiment – we thrive and deliver excellence in complex, tough operations. We are forward-looking, yet fiercely proud of our famous forebear Regiments whose fighting spirit, values and traditions thrive in today's Regiment.

We train hard to fight hard and pride ourselves on our courage under fire. We are a tight-knit Regiment that invests in our people and rewards merit. Self-confident yet modest, we are inclusive and genuinely welcoming to others – developing real bonds of friendship that stand the test of time and conflict.

Tigers have two aims: To succeed in any mission given and stand by our mates whatever happens.

Once a Tiger, always a Tiger. – Fierce Pride.

Our soldiers come from the South-East of England including London, Kent, Sussex, Surrey, Hampshire, Middlesex, The Isle of Wight and the Channel Islands.

As an infantry regiment, we are both fully armoured in Warrior Infantry Fighting Vehicles (1 PWRR), trained in dismounted close combat or fighting on foot (2 PWRR) and we are at the forefront

of the Army Reserves equipped with the very latest equipment (3 PWRR).

The Tigers embody the virtues of courage, self-discipline and loyalty. We've been in every major conflict since the second world war, and we are one of the most decorated Regiments for gallantry in the British Army.

We have 57 Victoria Crosses (the nation's highest award for conspicuous gallantry), Sgt Johnson Beharry, who is still serving in the Regiment, winning one in Iraq.

The 1st Battalion who are here today are currently based in Paderborn, Germany and have travelled over for the game as Pte 'Tom' Lake was one of their soldiers.

They are currently the British Army high readiness unit and on standby to deploy anywhere in the world.

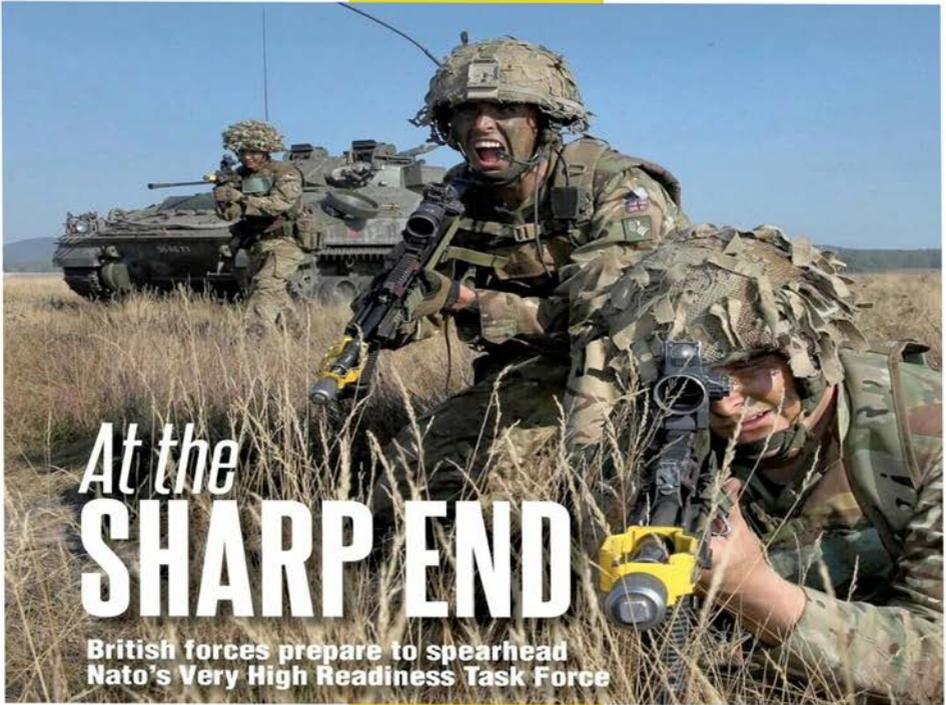

1 PWRR football team are the current British Forces Germany cup holders, and a number of the players also represent the Infantry at football.

1ST BATTALION
THE PRINCESS OF WALES'S ROYAL REGIMENT

My Tom

My wonderful, loving, caring, loyal Tom. My fun-loving action man. You were, and always will be, my shining star.

You said to me once "get rid of all that rubbish you hoard, Mum, 'cos your memories will always be in your heart and in your head", and I have such wonderful memories of you my darling son.

From the moment you were born my life was complete and you had such an incredibly full life. You died doing a job that you absolutely loved. You are my hero.

You said that when you came home from your first tour of duty that you wanted a big, happy homecoming event, and here we all are. All the people that touched you and were part of your life as you were part of theirs. So this is a testament to you my darling, my everything, my boy, Tom.

Tribute to a Jet

"Tom was so bubbly and fun to have around, My family and I were lucky enough to share personal time with him out and about around London with his best mate Martin Togher.

He was a handful, up to mischief most of the time and one of the lads, as our 40th Anniversary approaches, that is remembered quickly and smiled about with affection.

He was always in the centre of everything but now he has paid the ultimate sacrifice. Our thoughts and prayers are with his family."

Tribute to a Jet

"It was a privilege to know Tom and to share the same field while we were together at Jets.

His service should be remembered proudly and his sacrifice should never be forgotten."

Martin Fogher

"Tom was so bubbly and fun to have around, My family and I were lucky enough to share personal time with him out and about around London with his best mate Martin Fogher.

He was a handful, up to mischief most of the time and one of the lads, as our 40th Anniversary approaches, that is remembered quickly and smiled about with affection.

He was always in the centre of everything but now he has paid the ultimate sacrifice. Our thoughts and prayers are with his family."

John Elliott

A big thank you to our match officials for volunteering their services for today's game. John Feenstra (left) is the match referee. John is a respected friend of the club, now retired from full-time refereeing, having officiated at many levels.

John's assistants today are Harry Feenstra, (middle) and Garry Starr

(right, pictured with Dermot Gallagher). Harry Feenstra is John's son, following in the family footsteps and already qualified as an FA referee and working his way up the FA ladder.

Garry Starr is a successful referee currently officiating in the Women's FA league and at other levels.

Fred Weaving will be taking the salute for the fallen.

Fred is a former Royal Marine Commando of 42 Commando Royal Marines, Rank Corporal. He joined the Marines in March 1959 and served in Malta GC and Borneo.

Fred has served football for many years and continues to do so, at National, County & Local leagues. He is currently the referee's secretary for the West Herts League.

A long time friend to Oxhey Jets, Fred also took the salute for us last year.

We are delighted that we have Regina Pendleton with us today to play the bagpipes.

Regina is a member of the RAF pipes and drums, piping at military tattoos around the world including the Edinburgh Military Tattoo in 2015 (and she will be at Edinburgh again in 2018).

Regina also piped at Her Majesty's 90th birthday celebrations in Windsor. She also competes at a high level within the Royal Scottish Pipe Bands with RAF Halton/Waddington.

More details about Regina are available at www.reginabagpiper.co.uk

All proceeds from today's game will go to the Royal British Legion Poppy Appeal. It is a tradition at Jets that the takings from the home match closest to Remembrance Day should go to the appeal.

Thank you for your support. Jets poppy badges and pens are avail-

able in the clubhouse, for a donation to the appeal.

Donations can also be made online at www.britishlegion.org.uk.

Your poppy supports the Armed Forces community, past and present.

1972-80

OXHEY JETS FC CLUB HISTORY

- Jets were founded in 1972 by current General Manager John Elliott
- The team had grown out of the 2nd Oxhey Boys Brigade Team.
- Jets were entered into the South West Herts League under-12's.
- Jets won the League Cup Final in their first season.
- More youth sides were added in the following seasons.
- In 1978-79, the original side grew out of the youth leagues, so they joined the Watford Men's Saturday League, winning Division One in their first year without dropping a point.
- In 1979-80 Jets progressed to the West Herts League and became the first Oxhey side to win the Watford Peace Memorial Shield.

EARLY YEARS

1981-2000

- Jets progressed again and joined the Herts Senior County League Division One in 1981
- Jets gained promotion to the Premier Division in 1983.
- Throughout the time in the Herts Senior County League, Jets were NEVER relegated.
- Jets next big step forward was the development of the current £2m complex in Altham Way, a design built almost to Ryman's League standards, giving the club the opportunity to grow in the 21st century.

HERTS SENIOR COUNTY LEAGUE

2000-03

The move to Altham Way transformed the club and came at the same time as the Jets team were hitting new heights. In 2000-01 the Club was Herts Senior County League Champions, they won it again the following year along with the Aubrey Cup & Herts Senior Charity County Cup. In 2002-03 they retained them all and added the Rickmansworth Charity Cup.

2003-04

2003-04 was an exceptional season with Jets gaining promotion to the Spartan South Midlands League, & winning the St. Marys and Rickmansworth Charity Cups.

2004-05

2004-05 was a fantastic season with Jets winning Spartan Division 1 at the first go, along with cup wins in the Herts Centenary Trophy & Minerva Floodlight Cup.

2005-06

2005-06 is remembered for being the first year that we qualified to enter the F.A. Cup following our promotion to the Spartan South Midlands Premier. That achievement was, however, surpassed by playing, and winning, our first fixture against football league opponents, beating Barnet 2-1 in what is still regarded as the club's greatest game.

2006-07

Following on from the previous year's success over Barnet, Jets scored an equally impressive 4-1 Herts Senior Cup win over St. Albans.

2006-07

Jets had some good cup victories on the way to meeting AFC Wimbledon, none more so than a 1-0 win away win at higher league Aveley with this 25-yard free-kick strike.

2006-07

Jets had their best F.A. Cup campaign in 2006-07, finally losing away at AFC Wimbledon. Despite the defeat, we all spent an unforgettable day. We also had a good run in the F.A. Vase before losing at Ipswich Wanderer, and did some more giant killing in the Herts Senior Cup, beating high flying St. Albans City 4-1.

2009-10

Oxhey Jets FC

Hertfordshire F.A. Charity Shield Winners 2009-10

Jets win the Charity Shield for the first time, by 4-2 over St Margaretsbury. The team were also runners-up in the St Marys Cup to Hemel Hempstead Town.

2011-12

Another year of cup success, not only beating Kings Langley to lift the Herts FA Charity Shield, but also a huge upset in a 1-0 St Marys Cup Final win over Hemel Town.

2011-12

SKY SPORTS

Lewis Putman was interviewed at the Jets ground by Phil Edwards from Sky Sports and shown live on Sky Sports News on Christmas Eve because of his prolific goal scoring. He was even asked to re-enact one of his famous goals, complete with a Peter Crouch robotic style celebration at the end.

2012-13

Dave Fuller and John Elliott, working together since the start, toast Jets 40-year celebrations and John Elliott's British Empire Medal.

2012-13

Jets achieved their best league position in the Spartan Premier, finishing in 3rd place, and won both the Herts FA Charity Shield & the South Midlands Floodlight Cup.

2012-13

In Her Majesty the Queens 2013 birthday honours list the club founder John Elliott was awarded the British Empire Medal for services to young people and the community in South Oxhey. A richly deserved award for over 40 years of hard work creating and managing Oxhey Jets Football Club as a club for the local community.

2013-14

Oxhey Jets FC
St Mary's Cup Winners 2013-14

After a major team rebuilding programme in the first half of the 2013-14 season, Jets ended the year in style with a 3-2 win in the St Mary's Cup final over Leverstock Green.

2016-17

Jets Vets, containing many of the players who were winning trophies for us in the last decade, celebrate winning the West Herts Division One Championship.
